The property that is the subject of the Declaration (the "Property") is described more particularly within **Exhibit "A"** attached hereto. The Declarant is the current sole owner of the Property. The covenants, conditions and restrictions set forth herein shall run with the Property and shall be binding on all successors in title, and any person, corporation, trust, partnership, or other legal entity whatsoever who may hereafter own an interest in the Property, either directly or indirectly, through subsequent transfers, or in any manner whatsoever, by operation of law or otherwise.

Therefore, the Declarant does hereby impose the following covenants, conditions and restrictions on the Property, and does hereby declare that the Property shall be held, sold and conveyed subject to such covenants, conditions and restrictions.

1. No Lot shall have more than one (1) single-family residence, home, or dwelling. No ancillary building, garage, or structure may be constructed on any Lot before a dwelling structure is completed on such Lot. No Lot shall be used for commercial purposes. No Lot shall be subdivided into more than one building plot.
 - a. Temporary single-family residence such as Recreational Vehicles, Travel Trailers, Fifth Wheels, and Motorhomes are allowed as long as permanent single-family residence has begun construction within one (1) year of closing date. Permanent single-family residence should be complete within 2 years of closing date. No temporary single-family residence shall be located on any Lot nearer than One Hundred feet (100') from the center line of the road. A tent or similar temporary housing does not meet the declaration minimum requirements for a temporary single-family residence.
2. The minimum square footage for all residential structures on a Lot shall be 800 square feet. No structure shall be located on any Lot nearer than fifty feet (50') from the center line of the road.
3. Mobile homes and manufactured homes are allowed as long as they have skirting, a front porch, and must 10 years old or newer at the time of installation.

4. One detached guest house may be constructed on a Lot provided such structure has no cooking facilities.
5. Ancillary structures such as shops, barns, metal buildings, and greenhouses are permitted, subject to these covenants, conditions, and restrictions; however, the maximum square footage shall not exceed 10,000 square feet total for all ancillary structures combined on one Lot.
6. No commercial signage, other than real estate signs, may be displayed at any point on the Property.
7. Swimming pools are allowed so long as they are behind residential dwellings and surrounded by a fence.
8. Livestock shall be restricted to one livestock animal per one acre within a Lot. Livestock is defined as horses, mares, mules, jacks, jennies, colts, cows, calves, yearlings, bulls, sheep, goats, lambs, kids, hogs, and pigs.
9. Fowl shall be restricted to seven (7) fowl per acre within a Lot.
10. Each owner of a Lot shall keep their Lot clean and free at all times from all litter, debris, junk, trash or unsightliness. Any articles considered to be unsightly or junky shall be kept within an ancillary structure or placed along on the back 60' of the Lot's property line. "Unsightly" is to be determined by simple majority of all Lots whose property is within 1,500' of subject property.
11. All Lots shall pay road maintenance assessments of \$150.00 per year starting after the first Association meeting and election of a Board by the Lot owners. Delinquent assessments shall bear interest at the rate of 18% per annum. The Association may record a lien against any Lot for which any assessment remains unpaid, and such lien may be foreclosed in like manner as a mortgage.
12. Amendment. This Declaration may be amended by Declarant at any time for any purpose in the sole discretion of the Declarant for so long as Declarant holds title to any property subject to this Declaration. Thereafter, this Declaration may be amended by the owners holding title to a majority of the Lots, voting in person or by written proxy at a meeting duly called and held for that purpose, and any such amendment shall become effective upon the filing, with the office of the County Clerk of Garvin County, Oklahoma and County Clerk of Stephens County, Oklahoma of an instrument in writing setting forth such amendment and duly executed and acknowledged by the President of the Association, as the act and deed of the Association, and attested by the Secretary thereof.
13. Enforcement. The Association, or any Lot owner, shall have the right to enforce, by any proceeding, at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration and/or the Bylaws. Failure by the Board or any Lot owners to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. In any action relating to the

Declaration and/or Bylaws, the prevailing party shall be entitled to an award of their attorney's fees and costs.

13.1 Specific Assessments, Monetary Penalties, Remedies by Association, Due Process. The Association shall have the power to levy Specific Assessments against a particular Lot to cover costs incurred in bringing a Lot into compliance with the Declaration, Bylaws, or other instrument, whether or not record, applicable to the Property (collectively, the "Governing Documents"), and costs incurred as a consequence of the conduct of the Owner or occupants of a Lot, their agents, contractors, employees, licensees, invitees, or guests, and for monetary penalties according to a schedule of fines adopted by the Owners of a majority of the Lots; provided, the Board shall give the Lot Owner prior written notice and an opportunity for a hearing, in accordance with Section 13.4 below before levying any Specific Assessment under this subsection.

13.2 Personal Obligation. Each Owner, by accepting a deed or entering into a contract of sale for any portion of the Property, is deemed to covenant and agree to pay all assessments authorized in the Governing Documents. All assessments, together with interest (computed from its due date at a rate of 18% per annum, late charges as determined by Board resolution, costs, and reasonable attorneys' fees, shall be the personal obligation of each Owner and a lien upon each Lot until paid in full. Upon a transfer of title to a Lot, the grantee shall be jointly and severally liable for any assessments and other charges due at the time of conveyance.

Failure of the Board to fix assessment amounts or rates or to deliver or mail each Owner an assessment notice shall not be deemed a waiver, modification, or a release of any Owner from the obligation to pay assessments. In such event, each Owner shall continue to pay assessments on the same basis as during the last year for which an assessment was made, if any, until a new assessment is levied, at which time the Association may retroactively assess any shortfalls in collections.

No Owner may exempt themselves from liability for assessments by non-use of Common Area, abandonment of a Lot, or any other means. The obligation to pay assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of assessments or set-off shall be claimed or allowed for any alleged failure of the Association to take some action or perform some function required of it, or for inconvenience or discomfort arising from the making of repairs or improvements, or from any other action it takes.

13.3 Lien for Assessments. All assessments and other charges of the Association authorized in this Section or elsewhere in the Governing Documents shall constitute a lien against the Lot against which they are levied from the time such assessments or charges become delinquent until paid. The lien shall also secure payment of interest (subject to the limitations of Oklahoma law), late charges (subject to the limitations of Oklahoma law), and costs of collection (including attorneys' fees, lien fees and administrative costs). Such lien shall be superior to all other liens, except those deemed by Oklahoma law to be superior. The Association may enforce such lien, when any assessment or other charge is delinquent, by suit, judgment, and foreclosure. The sale or transfer of any Lot shall not affect the

assessment lien or relieve such Lot from the lien for any subsequent assessments. However, the sale or transfer of any Lot pursuant to foreclosure of the first Mortgage shall extinguish the lien as to any installments of such assessments due prior to the Mortgagee's foreclosure. The subsequent Owner to the foreclosed Lot shall not be personally liable for assessments on such Lot due prior to such acquisition of title. Such unpaid assessments shall be deemed to be Common Expenses collectible from Owners of all Lot subject to assessment, including such acquirer, its successors and assigns.

13.4 Association Remedies and Due Process. The Association shall have the power, as provided in the Governing Documents, to impose sanctions for any violation of any duty imposed under the Governing Documents. In the event that any occupant, tenant, employee, guest, or invitee of a Lot violates the Declaration, Bylaws, or a rule and a fine is imposed, the fine shall first be assessed against the occupant; Provided, however, if the fine is not paid by the occupant within the time period set by the Board, the Owner shall pay the fine upon notice from the Association. The Association shall not be obligated to take any enforcement action if the Board reasonably determines that the Association's position is not strong enough to justify taking such action. Such a decision shall not be construed a waiver of the right of the Association to enforce such provision at a later time under other circumstances or estop the Association from enforcing any other covenant, restriction, or rule.

(1) Notice. Prior to imposition of a Specific Assessment or monetary penalty, the Board or its delegate shall provide the alleged violator with written notice describing (i) the nature of the alleged violation; (ii) the proposed sanction to be imposed; (iii) a period of not less than 10 days within which the alleged violator may present a written request for a hearing to the Board; and (iv) a statement that the proposed sanction shall be imposed as contained in the notice unless a challenge is begun within 10 days of the notice. If a timely challenge is not made, the sanction stated in the notice shall be imposed; provided that the Board may, but shall not be obligated to, suspend any proposed sanction if the violation is cured within the 10-day period. Such suspension shall not constitute a waiver of the right to sanction future violations of the same or other provisions and rules by any person.

(2) Hearing. If a hearing is requested within the allotted 10-day period, the hearing shall be held before the Board. The alleged violator shall be afforded a reasonable opportunity to be heard. Prior to the effectiveness of any sanction hereunder, proof of proper notice shall be placed in the Association records. Such proof shall be deemed adequate if a copy of the notice, together with a statement of the date and manner of delivery, is entered by the person who provided such notice. All notice shall be deemed satisfied if the alleged violator or its representative appears at the meeting. The minutes of the meeting, if any, may contain a written statement of the results of the hearing and the sanction, if any, imposed.

14. In addition, each Lot and such Lot's owner is and shall be subject to the BY-LAWS OF Pinewood Bluffs Homeowners Association following or thereafter amended, as applicable, with respect to the Pinewood Bluffs North and Pinewood Bluffs South Declaration of Covenants, Conditions
